a period of up to 120 days.

February 29, 2008: Per Form 12B, Petition to Modify the Conditions or Term of

Supervision With Consent of the Offender, the Court modified the offender's conditions of supervision, specifically, that he shall reside at the Comprehensive Sanction Center, Turning Point, for a

March 28, 2008: Probation Form 12C, Petition for Warrant, filed with the Court,

PETITION TO MODIFY THE CONDITIONS OR TERM OF SUPERVISION WITH CONSENT OF THE OFFENDER

PETITIONING THE COURT

To modify the conditions of supervision as follows:

The offender shall reside at the Comprehensive Sanction Center-Turning Point for a period up to 120 days; said placement shall commence at the direction of the probation officer, pursuant to 18 USC 3563(b)(11). In addition, payment of subsistence is waived in this case. Furthermore, the offender shall not discharge from the program unless given permission from the director of the program or the United States Probation Officer.

Justification: Subsequent to his disposition hearing on April 21, 2008, the offender entered the 90 day residential treatment program at Westcare the following day. On July 21, 2008, he successfully completed residential treatment. On that same date, he was transported to the Comprehensive Sanction Center (CSC), Turning Point, to commence his public law placement, as he did not have adequate resources to obtain suitable independent living arrangements.

Since the commencement of his public law placement, the offender has not incurred any program violations and according to his case manager, he has remained cooperative. In addition, the offender consistently provides clean urine samples on a random basis and he has not committed any new law violations. Furthermore, the offender continues to participate in weekly individual drug counseling sessions and psychotherapy on a monthly basis.

While the offender has not yet obtained gainful employment, his case manager reported that the offender is actively seeking full-time employment on a daily basis. The offender continues to submit applications at various businesses and he has applied with Workforce Connection. In addition, the offender is currently participating in the Successful and Productive Re-Entry Program, a seven-week course designed to assist offender's with completing an employee portfolio and providing them with job assistance, training and skills.

PETITION TO MODIFY THE CONDITIONS OR TERM OF SUPERVISION WITH CONSENT OF THE OFFENDER

On November 17, 2008, the offender will have met his full term date at the CSC. Because he has been unable to develop a viable release plan, it appears that an extension on his public law placement is warranted. An additional public law placement for a period of up to 120 days, as well as a waiver of subsistence, will hopefully afford the offender adequate opportunities to obtain gainful employment and establish independent residency.

It is noted that the offender has acknowledged his willingness to modify his conditions by signing a Waiver of Hearing to Modify Conditions of Supervised Release, which is attached for the Court's review.

Respectfully submitted,
